## THE SUPERNATURAL POWER OF THE BATTLE OF THE BLOOD!

### DEDICATION

To a friend of mine and personal Pastor, Howard Gutzmer—because he draws on the precious *Blood of Jesus* with such faith, reverence, confidence and love of God like no one else I have known.

### FORWARD

What if all that God has for us, as His children rests on something so simple, yet so complex many do not see or receive it?

The battle is in the mind.....we must accept, and believe to receive the blessings outlined in the New Testament given through the *Blood of Jesus*. The Bible is a 'connect the dots' book to me and especially in this area of *Supernatural Promise*.

Life is a gift of God!

Prayer is a privilege!

*Jesus Blood* is the Divine catalyst of power, payment  
and redemption--love and blessing!

The battle is not for the *Blood of Jesus*—those who know and love Jesus have access to all HE is. The battle is again, 'in the mind' to believe, receive and accept what can be done with it. Even though Jesus said on the cross, "*It is finished.*" (John 19:30), Nothing is automatic, even salvation, without acceptance, faith (belief, trust), and declaration of God's promises that Jesus paid so sufficiently to give us. The following is a short study of my understanding of accessing the promises of this 'battle'.

## PART ONE

Soft, almost tender, pure, majestic in color, gentle in application but strong, resilient, and tough in purpose and design is the blood that flows through our bodies bringing life to every cell.

The world has managed to put terror, sorrow, and images of violence where blood is seen or imagined. Mysteries and crime dramas are just nothing without a scene of blood from a victim, everywhere.

Interesting that ancient cultures valued blood, esteemed it above anything else to ratify a covenant or become 'brothers' by mixing their blood in a ceremony. Some still use it today.

Satan worshipers use blood of goats, animal and sometimes humans to mock and counterfeit the work of God.

People today, some young people, cut themselves....saying that it either releases something in them or punishes them (because they feel so guilty). This is truly demonic and a work of the perversion of the enemy, again mocking the blood and its' power.

When a lot of blood is lost, our bodies go into decline. If our heart doesn't pump blood we are a 'goner', If our lungs do not assist the heart in pumping blood to the body.....WOW.....we feel that in a heartbeat (excuse the pun).

A friend shared with me that a doctor taught her about the power of blood to cleanse and heal. He told her if a tourniquet is applied to an arm and then the hand forms a fist and clenches it, as little as three times, the arm will suffer spasms or lock up and will no longer

work.....as the toxins are locked into the arm and the blood can no longer cleanse and feed the cells the oxygen—the life—the arm and hand need.

So why don't we have a great respect for the blood in our bodies, how we are created, the very magic of life itself? Therein is one of *battles of the Blood*, just how we think of it and take care of it.

Life is a gift of GOD, and that 'life energy' is carried in the blood.  
It is precious, unique and wonderful! (Lev 17:11)

We know our blood must be slightly alkaline or we die. Negative thoughts, traumas and especially fear make the body acidic and affect our blood flow. In such cases, the body needs minerals and calcium to restore the alkaline status. If the body does not have access to calcium and minerals from food, the body will draw calcium and minerals from any source (bones, muscle) to save our life.....restore the proper alkaline balance to the blood. Unfortunately we suffer other problems if that happens often.

*Amazingly Supernatural* how well designed all of this is!

This also tells us how critical it is to learn to handle the traumas, pain and fear we face in life, with the teachings of *JESUS--the true TREE OF LIFE*. (Gen 2:19; Rev 2:7, Rev 22:14)

*"Finally, brethren, whatsoever things are true, whatsoever things are honest, whatsoever things are just, whatsoever things are pure, whatsoever things are lovely, whatsoever things are of good report: if there be any virtue, and if there be any praise, think on these things!"*  
(Philippians 4:8)

## PART TWO

The Bible (the absolute best source of information ever) says, "*For the life of the flesh is in the blood: and I have given it to you upon the altar to make an atonement for your souls: for it is the blood that maketh an atonement for the soul.*" (Lev 17:11) Note: Atonement=Covering

Whoops, now we are into the *battle of the blood* in our mind, using our 'think tank' that uses reason and opinion to draw conclusions. That 'think tank' has trouble with a physical substance doing a *Supernatural* act. We must believe that God is...that God designed these bodies for our physical use, but since God is Spirit, He can use and apply the 'principals of life' in any realm, physical or spiritual. We use our mind, our will, our spirit and HE does the rest.

Our sin-nature from Adam and Eve's self-righteous decision to listen and follow Satan, in the Garden of Eden, has tainted our blood. We have inherited through the generations, that sin nature; our blood carries life, even though it tolerates sin. And only GOD knows how much additional sin has been done in the lives of our forefathers changing our physical make-up even more.

The original blueprint for life was perfect, but the Divine gift of free will, allows man to mess up GOD'S design. GOD in His sovereignty has limited Himself to give man 'free will' as *THEIR* (FATHER, SON AND HOLY SPIRIT) desire is to have eternity with those who chose to be with *THEM*—salvation through JESUS. (Gen 1-3)

Example.....we have no problem believing a baby born of a drug addict mother can have birth defects. Yet, I have heard some say a baby with mental illness or defect is an act of GOD for some special reason.

We have no trouble with a curse from addiction to drugs, alcohol, tobacco or food. Doctors will ask if our family has a history of .....fill in the blank. Generation curses known by Scientist through study and research. (Ex 34:7)

Generation 'curses' are very clear in the Bible. We must not blame God for what the devil is doing. We need to trust God for the solution. How is the devil involved? He is behind every lie, every evil act known to man that affects us physically, emotionally, our mind and soul. (John 10:10; John 12:31; Acts 10:38; Eph 6)

There is evil in the world, there are evil spirits with an evil leader, the devil, influencing and affecting both our mental and our physical being. If you have trouble with that check the evening news.....people doing evil things that make no sense, even for evil people. (John 10:10)

Would not a gracious and loving GOD have made a provision for man to cover man's original bad decision, as well as bad and stupid decisions and actions we currently make? The answer is YES, YES, absolutely YES!

God who is just requires pure sinless blood as redemption for sin....it takes pure clean blood to "save," to make atonement (covering) to displace the contamination. Good blood for bad blood....great trade off.

What else could pay for our sins but the precious substance that gives life both physically and spiritually? In all of history there is only one person with 'sinless' Blood and that is JESUS. (Rom 3:25)

Note: There is a great, yet simple, explanation of JESUS the sinless man (Jesus birth, etc.) in a book by H.A. Maxwell Whyte, THE POWER OF THE BLOOD, Whitaker House Publishers. I read it several times a

year, just to renew my faith as I come into agreement with the principals taught in its' pages.

Why is blood necessary? Why can't we just live a 'good life' or repent in a certain way, or pray enough to cover or pay for our sins? How could GOD grade on a curve? There can be only one standard that includes everyone on the planet. JESUS giving HIS sinless life for every creature is the just, fair and logical answer in the *Supernatural* realm of God, even though it is illogical to those on earth who want to earn their way to Heaven by their own works or piety. (Heb 4:15)

**Religion is what man must do for a god, and Christianity is what GOD has already done for man!**

The fact that JESUS was GOD and man, (JESUS emptied HIMSELF of all HIS GODLY power to come to earth as a man, being led and directed by the HOLY SPIRIT—as we are) and was willing to die, give HIS Blood as a man (with all the pain and agony connected to HIS crucifixion and death), to forgive our sins with HIS blood as payment for our disobedience—this is **the greatest love story ever told.** (Phil2:7)

Through the Cross JESUS exchanged our sin for HIS Glory.

It is the pure *Blood of JESUS* shed at Calvary that brings life to us for eternity. That is *Supernatural Power!*

The blood of the cross brought salvation from sin, reconciliation with GOD, and eternal fellowship...that seems to be more than enough. However, with everything GOD does there is sooooo much more! (Colossians 1:20)

Notice the title of this book is not 'battle for the blood' but battle of the blood. We don't have to battle for it, JESUS has given it to us. The battle is to comprehend this most *Glorious, Gracious Gift of Life*, carried in the Blood and accept the *Supernatural Power* it carries, and use it as GOD intended.

*"Whom GOD hath set forth to be propitiation through faith in His blood, to declare His righteousness for the remission of sins that are past, through the forbearance of GOD:" (Romans 3:25)*

The underline is mine. Only in the Old King James version of the Bible is that Scripture worded that way. The others refer to the 'propitiation' (covering) of the Blood, without stating 'faith in it.' Faith in the Blood is sooo crucial to our well being, that I value and esteem the above translation, and cling to and rely upon it.....for our faith is in Jesus and the *Blood of JESUS*.—as they are one.

I can hardly wait to explain what I mean, as it is so exciting to see all the things (and look forward to the ones I haven't seen yet) that God covers with the *Blood of JESUS*—not physically but supernaturally through prayer.

How do we use the *Blood of Jesus*, when we are physical? Much of what was done in the Old Testament physically (in this world) can be done in the spirit realm now....and here is how we do it:

- *Speak ye unto all the congregation of Israel, saying, In the tenth day of this month they shall take to them every man a lamb, according to the house of their fathers, a lamb for an house: (Exodus 11:3) And ye shall take a bunch of hyssop and dip it in the blood that is in the basin, and strike the lintel and the two side posts with the blood that is in the basin; and none of you*

*shall go out the door of the house until the morning; (Exodus 11:22) the LORD will pass over the door, and will not suffer the destroyer to come in unto your houses to smite you. (Exodus 11:23b) JESUS is our lamb, and the lintel and side posts represents our mouth and our speech. (John 1:29)*

- *For with the heart man believeth unto righteousness; and with the mouth confession is made unto salvation. (Rom 8:10) (thinking in terms of righteousness being 'right standing with GOD' and 'right actions' with JESUS; the two interact beautifully. Salvation, Greek word—*soteria*—deliverance, health, salvation, save and saving--Strong's Concordance.*
- *JESUS: "For by thy words thou shall be justified, and by thy words thou shall be condemned." (Matt 12:37) What we declare in agreement with GOD, or agreement with the enemy (the devil and his evil spirits)....for good or for evil.*
- *JESUS: For verily I say unto you, that whosoever shall say unto this mountain, (problem) Be thou removed, and be thou cast into the sea; and shall not doubt in his heart, but shall believe that those things which he saith shall come to pass; he shall have whatsoever he saith." (Mark 11:23)*
- *JESUS: "For MY flesh is meat indeed, and MY Blood is drink indeed." More was spoken recorded in John 6:43-64 JESUS was speaking symbolically of HIS Flesh and Blood. It offended many as it can today, who do not understand HIS words in verse 63, "It is the Spirit that quickeneth; the flesh profiteth nothing: the words that I speak unto you, they are spirit and they are life.*

Since God works both in the spiritual and the physical, the blood is applicable for our lives and our prayers.

This speaks of the power of speaking and the faith required confessing the *Supernatural Power* and believing what we are speaking. 'Quicken' means to 'make alive.'

There is church history of "pleading the Blood." Using our words about the blood of Jesus as though we were pleading a case in a courtroom.....and 'hello' we are--the courtroom of the *Supernatural realm*.

God does not sit in Heaven just waiting to 'zap' us for our errors and mistakes. However, the devil is. And, the *Blood of JESUS* was shed to reverse curses (evil inheritance and evil sins) to blessings:

*Lev. 17:11 says that the 'Life is in the blood.'*

Blood has been so honored through the centuries and for the quantum physics folks (scientists) it's vibration, movement and magnetism is unparalleled. They have found in breaking down our physical blood, it has an energy that is actually musical, and each person's blood has a different melody. (Found and demonstrated in several of the Universities of higher learning in 2011.) Is that awesome or what?

Recognizing the tremendous implications of the power of the blood, Satan, the devil has tried for centuries to denigrate it, mock the symbolism where *GOD* is concerned and convinces his followers to use it in the most gross and evil ways. He has managed to put fear and alarm in the minds and hearts of men at the sight of blood, or even talk about it.

The Blood is the propitiation (covering), or eraser of sin and work of the enemy. *JESUS Blood* is not a 'tool' of battle but an awesome

dynamic power that has changed men's lives since JESUS exchanged HIS life, gave *HIS Blood* for our sins on the cross at Calvary!

THERE IS EVEN MORE.....

### PART THREE

Let's take a look at more of the purpose and design that GOD, JESUS and the HOLY SPIRIT have given. Again this is a partial list of all HE did and the purpose behind it. We will need to use the word, curse, as a negative action or result that takes place in the physical. It is the result of sin starting in the very beginning (Genesis 3). That sin still brings a curse (negative result) into our lives.

The forgiving unmerited Grace of GOD can reverse the curses to blessings, through prayer, because JESUS paid for our sins with *HIS Blood*. Even though JESUS declared 'it is finished'—from the cross-- our spiritual use of the Blood of Jesus is not automatic, we must declare it. (John 19:30)

- *And being in an agony HE (JESUS) prayed more earnestly: and his sweat was it were great drops of blood falling down to the ground. (Luke 22:44)* HIS blood burst through the ruptured walls of the capillaries, the latter caused by HIS agony, coloring the perspiration and enlarging the drops. (Explained by Kenneth Wuest in his EXPANDED TRANSLATION OF THE NEW TESTAMENT, a great reference book I have used for years.)

We are taught this Blood was shed as JESUS struggled and overcame HIS own fear to declare GOD'S will, not HIS own. We can plead (pray) this Blood of JESUS over the wills of men that

their will line up with the will (the desire of HIS heart) with GOD. Great for praying for others for salvation.

- *"And they clothed HIM (JESUS) with purple, and platted a crown of thorns, and put it about HIS head." (Mark 15:17)*

The Blood shed from the crown of thorns is believed to reverse the curse on the earth on the work of mankind, spoken by GOD in Genesis 3: 17, 18. We can speak or plead this Blood over the work of our hands, our business, etc. to reverse 'any' curse it might have!

- *"Then Pilate therefore took JESUS, and scourged HIM." (John 19:1) Who HIS own self bare our sins in HIS own body on the tree, that we, being dead to sins, should live unto righteousness: by whose stripes ye were healed. (I Peter 2:24; Isaiah 53:4,5)*
- *"And from JESUS CHRIST who is the faithful witness, and the first begotten of the dead, and the prince of the kings of the earth. Unto HIM that loved us, and washed us from our sins in HIS own Blood. (Rev 1:5)*

JESUS shed HIS Blood as payment for our trespasses, sins and mistakes and forgave us on the cross giving us relationship and eternal life with HIM.

- *"Then said JESUS, FATHER, forgive them: for they know not what they do." (Luke 23:34)*

Note; Jesus forgave, then shed His blood—died, rose again on the third day and took it and put it on the Mercy seat in heaven. We can learn from His example to always (with ourselves or others)

to repent or forgive sins, then pray *the Blood*, (John 20:23; Heb 9:12-15)

- *"How much more shall the Blood of CHRIST, who through the eternal SPIRIT offered himself without spot to GOD purge your conscience from dead works to serve the living GOD? (Heb 9:14)*
- *"But one of the soldiers with a spear pierced his side, and forthwith came thee out Blood and water." (John 19:34)*

That *Blood* flowed out over the entire world to forgive, cleanse and heal; and washing by the water of the WORD--JESUS is the WORD. (John 1)

JESUS shed His Blood as payment for our trespasses, sins, and mistakes to forgive us on the cross giving us relationship and eternal life with Him.

- *And they overcame him (the devil) by the blood of the LAMB, and by the word of their testimony; and they loved not their lives unto death. (Rev 12:11)*

The last one is my favorite, as I see it as our purpose to overcome the enemy and love the Lord, out of our free will choice. The Blood plays a huge part in our prayer life in doing just that.

In the Old Testament the priests sprinkled the blood on the altar, the utensils, on the people, etc. (For reference—Exodus 29:20 and Lev 8:15, etc.)

In the New Testament the writer of Hebrews speaks of sprinkling of Blood in Chapter 9, verses 13-22 and Peter in Chapter 1, verse 2.

In the late 19<sup>th</sup> century, an awesome woman of GOD, Maria Woodworth Etter, was known to stand before a congregation and sprinkle the Blood with her words and waving her hand over them. And many ran to the front to be saved and others fell where they were in repentance.

Was that another 'season' or 'time' of GOD....the *Blood of JESUS* is not locked into our finite thinking or time clock....rather it is endless and eternal.

Exodus Chapter 12 describes the Jews being protected by the blood (Blood of innocent lambs and JESUS is our innocent lamb. Rev 5:6) against the 'destroyer'...."*And the blood shall be to you for a token upon the houses where ye are:*" etc....

Being taught by men and women we respect and honor—always seeking the Holy Spirit to teach (or confirm to my spirit the teaching of others)—we have prayed the *Blood of JESUS* over our homes, our belongings, our cars, and especially our families for protection. We have seen and experienced miracles by doing this.

Again, what was done in the physical can now be done with the HOLY SPIRIT in the *Spiritual realm*, with declaration and faith.

It is very hard to 'give testimony' of what has not happened because of our pleading the *Blood of JESUS*, but here is one story....

We who do this (to my knowledge) have never been robbed or vandalized. One of my friends tried to share with her husband this truth. He did not accept or believe. She prayed JESUS Blood over her car daily, parking it in the driveway. He refused. One night, both

cars were there. His was broken into, and things stolen, but hers was not touched, even though there were valuables in her car.

Couldn't she have prayed over his car? She did, but his unbelief and rebuke nullified her prayers as it was his car and his jurisdiction. More on that subject of jurisdiction in our book *THE SUPERNATURAL POWER OF THE PRINCIPLES OF PRAYER!*

When we are offended or wounded, hurt in any way, it damages 'the life in our soul'. The Blood of JESUS contains 'Life' and can cleanse the soul (mind, will and emotions) from pain, hurt, offense, etc....but we must apply it in prayer. (I John 1:7)

We need to remember when JESUS was in Nazareth, HIS home town; HE could do few miracles because of their unbelief and we must be open to all that God has for us.

Scriptures of the promise of the *Blood of JESUS*:

- Romans 3:24,25 Faith in the *Blood*.—Stand in faith (also Rev 11:12)
- Romans 5:9 Justified by *HIS Blood*.—Sin removed, no longer guilty'.
- Ephesians 1:7 Redemption by *HIS Blood*.—Redeemed, rescued.
- Ephesians 2:13 Brought 'near' by *HIS Blood*.—Relationship.
- Colossians 1:20 Peace by *HIS Blood*.—Inner calm and confidence.
- Colossian 1:13,14 Redeemed, forgiven and delivered from kingdom of darkness by *HIS Blood*.—Pretty 'inclusive' for standing against the forces of darkness. (Eph 6)
- Heb 13:12 Sanctified by the *Blood of JESUS*.—Set apart for Holy use.
- I John 1:7 Cleansed by *HIS Blood*.—To be and feel free from sin, shame and guilt.

- Exodus 12 gives us “protection” by the Blood.

And, the most powerful of all, the provision of taking communion with the bread and wine.....that represent all that was done on the cross for us. Bread—the broken Body of CHRIST (HE had no broken bones—the body was broken from beatings and abuse.) (Isaiah 50:5,6; Psalms 34:20) for our healing.)

The wine JESUS directed us to do in remembrance of HIM, represents cleansing by *HIS Blood* and represents and reminds us of the New Covenant in JESUS, through faith in His Blood. (I Cor 11:24; Rom 3:25)

Why did JESUS say, “*Do this in remembrance of ME.*” Because we need to remember....it is a physical act representing both a physical and spiritual truth for our eternal relationship with HIM, for healing, wholeness, and all the things listed above in Scripture. (First simple repentance—change the way we think to cleanse the soul, then the Blood—a physical act for a spiritual blessing.)

Once we truly *know* the scope of JESUS, HIS cross, HIS Blood, it is impossible to separate them from GOD'S Love, Mercy and the Glory of HIS Grace

“*But when you pray use not vain repetitions....*”(Matt 6:7). When I pray the *Blood of JESUS* over something, or forgive someone, and pray the *Blood*, it is very real to me and in my mind, my heart, the Blood is there, and my trust in it sparks 'light, spirit and life' to my soul (John 6:63).

Isn't the Name of JESUS enough? In many cases it may be.....this is why we need the HOLY SPIRIT to guide and lead us, as we seek HIS

help with our prayers. However, JESUS is the Name above every name—most powerful! The *Blood*, totally connected to HIM and HIS Name is a Divine commodity of power, payment and redemption.

One of the best examples I can give (and there are many) came when we prayed over someone for deliverance from an evil spirit. Sometimes they would not leave with the Name of JESUS, but once we prayed the *Blood*, they were gone. We learned they know the 'payment' for deliverance, etc.....they test to see if we know, and will demand they respond.

This book is dedicated to a special friend and personal Pastor of mine, Howard Gutzmer. Pastor Howard has such a precious love for JESUS, and has followed the leading of the HOLY SPIRIT in ministry, with the *Blood of JESUS*, with tremendous success. GOD honors Howard's heart and devotion, and is present in HIS meetings to bless those who are there to receive.

Sometimes Pastor Howard says and does things that make us wrinkle our brow and think 'where did he get that?' Those of us who know HIM and the HOLY SPIRIT smile and do the same, when appropriate. All the great Generals of healing in the past and those, like Pastor Howard, work with the HOLY SPIRIT and, proceed in ways we cannot pin down to 'chapter and verse' but the miracles, the signs and wonders confirm the work.

What if you never 'plead' or pray the *Blood of JESUS*? It sure won't affect your salvation. The *Blood of JESUS* to me and countless others is not a tool of warfare, but a Divine empowered spiritual substance as real in the *Supernatural* as blood is here in the physical. Why would we not trust, use and have faith in all JESUS has for us.

The greatest revelation on the *Blood* is not found in 'chapter and verse', but in the heart of believers—as the *Blood of JESUS* cannot be separated from *Grace* (unmerited favor) and the Love of *GOD* for us.

Gwen Shaw, a great woman of *GOD*, said in her book on the *Blood*, "Scientists have found that blood is 'congealed light'" and she reminds us, "Jesus is the light of the world".

Also, "This blood speaks; it gives forth the vibrations, rays, beams of love, forgiveness, mercy, deliverance, and of the poor of a transformed life to all who will accept it as the one and only atonement for their sins." Gwen Shaw (Gen 4:10)

For all her wonderful books, just 'Google' her name on the Internet. This book represents my views and in no way replaces other great books on the *Blood of Jesus* such as the work by Andrew Murray, H.A. Maxwell Whyte and many others. I pray this book inspires interest in more knowledge on this loving blessing of *GOD*.

Just look at the many ways Scientists are working to understand the blood. I enjoy the information, but I am more connected to *JESUS* and *HIS* power through the 'faith in *HIS Blood*' in my part of the Supernatural, than what Scientists say.

Forgiveness and judgment are my favorite subjects to talk, teach and share.....but without the *Blood* the foundation on which to stand is lost. And great rewards and inheritance may not come forth as intended.

I see the *Blood of JESUS* as the most wonderful beautiful ecstasy of energy and love that carries *Life* through and by the *Presence* of *GOD'S Grace*.

This is a sample of my prayers for friends and family: "*HEAVENLY FATHER, I forgive the sins of my family, just as YOU have forgiven mine, and I pray the Blood of JESUS over them for redemption, sanctification, cleansing, deliverance, healing and protection, all that is included with the Blood, in JESUS Name. Amen!*"

*Exodus 12; John 20:23*

And I am *religious* about declaring, "You will not kill, rob or destroy my family." to the enemy, based on faith in JESUS, from John 10:10.

I rarely pray only that, but it is the beginning for me....and some times just that if time does not allow more, I know they are covered, i.e. protected.

The *Blood of Jesus* has been so real to me for such a long time; I know it is the payment used in the *supernatural* as we pray. However, I had a wonderful word from the Lord just a few days ago.

I was taking communion, which is a *spiritual union* through the physical act of taking bread and wine in remembrance of Jesus, as He told His disciples to do. The bread is the Body of Christ given for us and the wine is the new testament (new covenant) in His Blood, which is shed for us. (Luke 22:19,20; I Cor 10:16)

As I thought of the price Jesus has paid, Jesus spoke to my heart, "Every time you pray, confess My Blood, we have communion." It was and is, so thrilling to me....I understood immediately the spiritual connection with Him--even without the physical bread and wine, as remembrance of what Jesus has done for us is an act of loving obedience.

A note here about 'hearing GOD' Some feel prompting, some, thoughts or pictures or visions that they know are from FATHER, SON or HOLY SPIRIT, and some hear a voice. If you want this, declare and thank GOD for it and I know He will answer.

*It is the Grace of God that carries the Blood that answers prayer....as we take our hurts, our pain, our troubles to the foot of the Cross—the cross a portal to Heaven where they are exchanged for the loving, forgiving, grace and glory of GOD.*

May we all embrace our HEAVENLY FATHER, JESUS CHRIST OUR LORD AND OUR HOLY SPIRIT with desire, love and trust for all HE has done.....honor HIM and HIS Blood as we use it to cleanse, heal, protect and promote the Kingdom of GOD here on earth.....covering sin, exchanging it for the Glory of GOD. AMEN! And AMEN!
